

This 10-way plug connects to both the Chassis and Engine harness.

The Chassis harness has a 6-way plug, please connect wire colour to wire colour, then the remaining four positions are for connection to the Engine harness, again wire colour to wire colour.

For the remaining 4-way plug on the Chassis harness please connect the Red/Yellow wire to the single moulding (Red/Yellow) in the Main harness, Green/Brown is reverse found on a separate lead and finally the Pink wire is the optional Split Charging wire for trailer towing (e.g. Caravan Fridge/Charging).

Standard Cable Colour Abbreviations Used as follows:

B = Black	N = Brown	R = Red	W = White
G = Green	O = Orange	S = Slate	Y = Yellow
K = Pink	P = Purple	U = Blue	LG = Lt Green

LAND ROVER SERIES 3 MAIN HARNESS 10-WAY MOULDED PLUG
